

Astronomy at the Beach

Michigan's largest FREE astronomy event!
MI license plate "recreation passport" required (or get one at gate for \$18)

The poster for the event shows a sunset over a body of water. In the foreground, several people are silhouetted against the bright sky, some holding large telescopes. A large, dark circle representing the sun or moon is visible in the upper left corner of the sky.

Look through BIG telescopes
Theme: Getting Ready for the Eclipse

Space images display, interactive science demonstrations,
vendors, local clubs
